We have \$8,991.92 in the bank as of this meeting with no big bills outstanding.

We have a great library of videos and books, please use it. There is a list of all the titles on the website. You just have to contact Jack by e-mail and he can bring the book or DVD to next meeting. Jack can be contacted at john.f.McDonald@verizon.net. It only costs \$1.00 a month to rent a DVD or book.

At the beginning of the meeting we had a great slide show by Mark and Matt Reilly. They talked about fishing in Florida, NJ, Connecticut, and Mass. They fish from the beach, boat, and canoe. Both told of catching bass, sharks, bluefish, weakfish, albacore, tuna, snook, tarpon, and many other fish.

On Sunday August 29th, Casting for Recovery is looking for 3 volunteers to help out at Holmdel Park. If you can help please contact Dee at 917-796-8930. It would be in the morning about 9:00AM.

Wednesday, August 4th, we will have a Boy Scout trip on the Eagle from 3PM to 9PM. If you can help please show up but please let Robby know you are coming by E-mailing him at CAPTFYSH@aol.com

We are working on doing a trip on the Eagle for the Boys and Girls Club of Perth Amboy but we do not have a date yet.

Tom had an idea to raise money for Project Healing Waters - have shirts made up with logos on them and sell them at shows and the members talked about the pros and cons.

We talked about raising money for the club and a lot of good ideas came up such as a trip raffle or a custom fly rod raffle with only so many tickets being sold.

Kenny is looking into a trip to Montauk for the fall for the club. Dates would be end of Sept or the beginning of October. More info next meeting.

Saturday, August 21st, we will have our Kids Camp at Sandy Hook. Start at 8:00AM and done around 2:00PM. We will need volunteers for this so keep this date open.

No firm date yet on our club picnic but we are trying to get Saturday Sept. 11th. Will let you know next meeting.

On a sad note, one of our members Bob Cohen, has suffered a massive stroke. He is paralyzed on his left side and weak on the right side. When awake, he can not speak. He does recognize people and can hear. If you can visit him maybe read him a fishing/hunting magazine or train magazine because he likes trains. Bob is at CareOne at Hamilton 1660 Whitehorse-Hamilton Square Road Hamilton, NJ 08690. Phone # (609) 586-4600. You might want to call before going to see him and the hours are 8AM-8PM.

For a fishing report, lots of fluke around, not a lot of keepers. In front of the Navy pier with the right drifting conditions will produce keeper size fluke. By Atl. High. Harbor also some keeper size fluke. Seabass fishing is good down by the Reef.
