We have a great library of videos and books, please use it. There is a list of all the titles on the website. You just have to contact Jack by e-mail and he can bring the book or DVD to next meeting. Jack can be contacted at john.f.McDonald@verizon.net. It only costs \$1.00 a month to rent a DVD or book.

Clean Ocean Action had their 2-day event at Sandy Hook on May 13-14th. Weather was good and the kids seemed to enjoy it. They asked a lot of questions. Clean Ocean Action thanked us for helping them and donated \$100 to us. Thanks to all who helped out.

Saturday May 15th was the Jamaica Bay kayak tournament. Some club members did go and the weather was great. Largest bass caught was 38 ½ inches, lots of bluefish were caught, and no weakfish were caught this year.

The trip to Coco Beach was good. The fish were on the small side-caught redfish and sea trout. Good time over all, should probably go a month earlier next time.

We are working on getting the charity trips together on the Eagle. We should have some dates by next meeting. Stephen Fauer asked us to do a trip for the Perth Amboy Boys and Girls Club. All members said it looked like a great idea.

We are doing the kids camp on August 21st with 22nd as a rain date. Try to get some donations for the kids if you can.

This Wednesday (16th) there is a fund raiser at Moby's in Highlands for Capt. Mark of charter boat Long Shot. Starts at 7:00PM on the deck. Live entertainment and only \$10 to get in.

For those of you who hunt, NJ is accepting comments on the hunting of black bears. There are 7-15 bears for every square mile north of 80 and west of 280. NJ has the most black bears in the US. Bow hunting perimeter bill S1181 lets you hunt from an elevated stand 150 feet from a dwelling.

Bill A2304- lets local only bunker boats get a license to take bunker for bait only. Keeps out of state boats out of NJ waters.

Fishing reports: Fluke in Atl. High Marina and in the Shrewsbury River. Not much reported at this meeting with everyone up at the Cape.
