RELEASE

Meeting Started: 8:05 P.M.

Meeting Adjourned: 9:15 pm.

We have \$8,268.84 in the bank as of this meeting.

We have a great library of videos and books, please use it. There is a list of all the titles on the website. You just have to contact Jack by e-mail and he can bring the book or DVD to next meeting. Jack can be contacted at john.f.McDonald@verizon.net. It only costs \$1.00 a month to rent a DVD or book. Jack can also mail you a DVD if we are between meetings, It doesn't cost that much to mail a DVD he found out recently.

Your club dues is due- \$75 now. Those of you who paid by January meeting will get a ticket into the Somerset Fly Fishing show. Please don't try to pay at the show and expect to get a free ticket into the show. You can pay your dues at the show or mail them to our PO Box or come to a meeting and pay them. Please pay by check, it helps keep track of who has paid.

Kenny took over the website and is currently redesigning it. He would like new pictures to add. Send pictures to Kenny at EkelundK@gmail.com. Kenny has updated the website with some new pictures.

The CPR crash course will be a separate day from our meeting. It will be sometime in February. We are working on a date and it will be on a Saturday or Sunday morning. The class takes about 5 hours and includes a video, mannequin, and exam. It will cost about \$30 per student and the club will donate \$100 to the instructor. Watch your e-mail for date.

Start tying flies for the Somerset show. We need more freshwater flies as we seem to get more people taking a chance because of them. We also need pictures for the show to display-please no blood in photo. Send pictures to Brad at Buz@buzfly.com as soon as possible so he can enlarge them to hang up on display. We are having our tying night this Wed. 1/19 to tie flies for the show.

We are still working on a place to have our spring dinner. If you have any ideas, please let the club know.

The Fly Fishing Show at Garden State Exhibit Center is January 21, 22, and 23. The FCA also will have a booth there and may need help. If you can help please contact Joe Hagen at njJoeflyfish@msn.com. Some help on Sunday taking the booths down is where both clubs usually need a hand. Father Time has asked us if we could give them a hand on Saturday, January 22

from 9AM-12PM at Bolger School in Keansburg. They want to teach kids fly tying and maybe some casting lessons. If you can help please contact Robby at CAPTFYSH@AOL.com.

We got a very nice thank you letter from Casting for Recovery for helping out. We are looking for a better place to have this event. If any one knows of a freshwater pond or lake where we can take woman fly fishing without getting caught in a lot of weeds or trees please let the club know.

Federation of Fly Fishers offers 6 rod and reel outfits if you have a kids program. Since we have a kids program we are going to try and get them or find out what else we need to do to get them.

For fishing reports, Blackfish on the head boats is good right now. Some pool fish are 10-12lbs. Cod and ling also being caught, just as a by catch though.

We have a new member John Gillis.
